KEY APPLICATION DATES AND DEADLINES 2022-2023 PROGRAMS

There are a number of key dates and deadlines applicable to the CMF funding programs. These dates and deadlines are provided in the tables below.

Because the CMF uses a variety of funding mechanisms to determine and deliver support in different programs (“Envelopes,” Selective Processes and First-come, First-served), the precise application dates vary according to the program concerned. Please see the tables below for more information about these dates and what they may mean for you.

The CMF shall rely on the self-identification information associated with each individual’s PERSONA-ID number to determine eligibility for CMF gender or diversity initiatives or requirements, including (i) Performance and Development Envelope Factor Weights and gender parity requirements, (ii) points in certain designated selective Program evaluation grids, (iii) reserved portions of budgets in certain designated Programs and (iv) eligibility to certain designated Programs.

For more information about PERSONA-ID, please visit the [CMF’s PERSONA-ID page](#).

Envelope Programs

<i>Program</i>	<i>Opening Date</i>	<i>First Closing Date</i>	<i>Final Closing Date</i>
Alternative Access to the Performance Envelope Program¹	April 19, 2022	-	December 6, 2022
Alternative Access to the Development Envelope Program	April 19, 2022	-	December 6, 2022
Development Program: Development Envelope (English & French)	April 19, 2022	October 27, 2022	December 6, 2022
Performance Envelope Program	April 19, 2022	October 13, 2022	December 6, 2022

Opening Date

Applicants may submit their applications to the program for 2022-2023 beginning on the date indicated above.

Closing Dates

Performance Envelope Program:

Broadcasters whose Performance Envelope allocations total \$2.5 million or more must complete and submit their applications representing 75% of the value of the envelope allocation, including flex amounts, on or before the First Closing Date.

If the CMF does not receive applications from broadcasters representing at least 75% of the Performance Envelope allocation by the First Closing Date, the unused portion of the 75% of the relevant Performance Envelope allocation will be transferred into the CMF Reserve Fund.

¹ See section E.1.1 of the [Performance Envelope Manual](#).

However, the CMF may waive the First Closing Date requirement as described in section C.2.1.1.2 of the [Performance Envelope Manual](#).

The Final Closing Date is the final deadline for submitting applications. Any amount remaining in a Performance Envelope allocation for which the CMF has not received a complete and eligible application by the Final Closing Date will be transferred into the CMF Reserve Fund.

Performance Envelope projects not fully financed at time of application:

Prior to the Final Closing Date, applications will be accepted without 100% confirmed financing.

If a Project's financing is not confirmed in full prior to that date, signed agreements must be submitted with the application as supporting evidence of:

- Performance Envelope contributions and all licence fees contributing to the Licence Fee Threshold
- 60% of total Canadian financing for the Project (accompanied by a viable financing plan for the remainder of the project funding)

The Applicant, however, must confirm 100% of the financing of the Project supported by signed agreements, no later than the Final Closing Date.

Development Envelopes:

Broadcasters in the English market whose Development Envelope allocations total \$1 million or more, and broadcasters in the French market whose Development Envelope allocations total \$500,000 or more must complete applications representing 75% of the value of the envelope, and submit these applications on or before the First Closing Date.

Projects submitted after the First Closing Date are not eligible for CMF production funding in the same CMF fiscal year that the application to the development program was submitted.

The Final Closing Date is the final deadline for submitting applications. Any amount remaining in a Development Envelope allocation for which the CMF has not received a complete and eligible application by the Final Closing Date will be transferred into the CMF Reserve Fund.
