Applications must be submitted according to the Program Deadlines published on the CMF website.

The CMF shall rely on the self-identification information associated with each individual's PERSONA-ID number to determine (as applicable) eligibility for dedicated Programs, exclusive reserved portions of Program budgets, Envelope credit, Evaluation Grid points, ranking position in selective programs, and/or for statistical and analytical purposes.

Please ensure all documents are submitted and each element in the scoring grid has been addressed. Required documents and information omitted from the application package could negatively impact scoring.

For a series in its second or subsequent season, a Rough Cut or final version of at least one (1) episode of the previous season of the series must be completed and submitted to the CMF in order for it to be considered an Eligible Project in this Program.

All projects will be required at application to meet the Threshold that is based on the lesser of:

- 10% of the Project's Eligible Costs, or
- the Threshold amount for the applicable genre category, language market, and project type as set out in the Eligible Market Commitment Threshold Tables of the Broadcaster Envelope Program (English and French) Guidelines.

Either the screenwriter or the director of the Television Component must be a member of a Racialized Community. For clarity, if the Television Component is episodic, this requirement will apply to every episode of the Television Component. This will be evaluated using PERSONA-ID.

Only paid eligible positions clearly identified in the budget will count towards the evaluation of the project and the information provided in the project's budget will prevail.

Eligible Projects that are selected for CMF funding are required to have a *minimum Envelope Allocation commitment of one percent (1%) of the Project's Eligible Costs* from a Canadian Broadcaster and/or Eligible Canadian Distributor Envelope Program before the earlier of either signing of the CMF Financing Agreement or by the final closing date of the Envelope Program, December 8th, 2026.
