

This form applies only to returning Applicants to the Slate Development Pilot Program.

Returning Applicants must have started principal photography of at least one (1) project developed through their previous Slate Development Envelope (SDE) Allocation, AND have reimbursed the CMF that portion of the advance to make a subsequent request in the same amount as the reimbursed advance from the original SDE Allocation.

PROJECT INFORMATION

Enter the Dialogue number of the applicable SDPP final report

Enter the Project's title provided with the SDPP final report

Enter the portion of the SDE amount allocated to the above-referenced Project (\$)

Has the SDE amount allocated to this Project been reimbursed to the CMF?

☐ Yes ☐ No

Please provide the corresponding CMF Production application Dialogue # (if applicable)

If different than the SDPP final report title, please provide the Project's new title in Production

Please review all entries before submitting this form with the other required documents in Dialogue.
