

Letter of Interest Form
Predevelopment Programs
Convergent Stream

Project Title: (the "Project")
Production Company: (the "Applicant")
Entity supplying Letter of Interest for the Project (the "Trigger")

After initial discussions with the Applicant, the Trigger supplying the letter of interest confirms its interest in the Project that the Applicant wishes to undertake with the financial support of the CMF Predevelopment program. However, this interest does not constitute a commitment from the Trigger to pursue further phases of development or production for the Project.

Provide a brief synopsis of the content of the Project:

[Empty box for project synopsis]

Predevelopment deliverables:

I certify that all the information provided is accurate and complete and that there is no omission of important information.

Predevelopment program:

The Trigger recognizes it is limited to the number of projects it can trigger, to a maximum of 2 projects per fiscal year

The Applicant recognizes it may apply to the Program with a maximum of one project

Indigenous Predevelopment program:

The Applicant recognizes it may apply to the Program with a maximum of 2 projects

Agreed and accepted by the Trigger:
