Appendix 1 – Financial Structure

The amount requested to the CMF for the proposed project appears on the first line. This amount matches the Requested Amount (CAD) entered above.

Select the country for each of the funding sources entered. If your project is not an international co-production, enter Canada for all sources. If your project is a co-production, select the country for each co-producing country's funding sources. Please note that international co-productions must comply with the [Framework for International Digital Media Co-Production](#) available on CMF's website.

Select the type of funding sources from the dropdown list. If you cannot find the type of funding source in the list, it might be that it is an ineligible type of funding. Ineligible types of funding include, but are not limited to: credit margin or loan, sweat equity, work done for free or volunteer work, services, future revenues, and deferred salaries from non-shareholders.

Tick the checkbox in the "Confirmed" column if the funding source is indeed confirmed. If the funding source is pending, do not tick the checkbox.

Click on "Add" to add your other funding sources for the project.

The total financial structure must match exactly the total amount of the budget submitted in the Required Documents section.
